- Celtic Horizon Array Study Area
 - Cable Corridor Study Area
 - Celtic Horizon Onshore Study Area
 - National Monument Sites
 - Protected Site Boundary
 - 12nm Limit
 - Wrecks

The map shows environmentally sensitive areas designated for the protection of habitats and species. These include the European-level designations called Special Areas of Conservation (SACs) which protect habitats and species and Special Protection Areas (SPAs) which protect birds and internationally designated RAMSAR sites which protect birds and wetlands. The map also shows sensitive national monument sites and shipwrecks.

Title:
SACs, SPAs, RAMSAR, & Monuments/Wrecks Map

Date:
28 February 2023

Scale:
0 5 10 km

Projection:
IRENET95 Irish Transverse Mercator
